1.3.5 The services offered by rack-jobbing concerns may be used without limitation for non-food or general merchandise as herein defined. It is agreed that no Non-Food Clerk on the payroll as of March 23, 1986 shall be laid off or have his hours reduced as a direct result of the expanded utilization of rack jobbers.

1.3.6 CONTRACT COVERAGE AND ENFORCEMENT: All persons performing non-food or general merchandise work shall be covered by this Agreement, except only that a single owner or lessee of a non-food or general merchandise department shall be exempt.

Except for the non-food or general merchandise clerk's compensation, as hereinafter provided; all other terms of this Agreement shall be fully applicable to non-food or general merchandise clerks.

No employee shall suffer any reduction in pay as a direct result of this Agreement of the parties as to non-food or general merchandise clerks.

In the event the Employer fails to observe the terms of this section in any respect, the Union shall notify the Employer in writing of such violation and it shall be corrected. Following such notice if the Employer again, within six (6) months, violates the terms hereof and it is so determined by the Adjustment Board or Arbitrator, then in such event, such Employer shall no longer be entitled to a non-food or general merchandise clerk classification and the food clerk rates shall thereafter become applicable to all non-food or general merchandise work in the Employer's store where the violation occurred.

1.3.7 Employees who are performing work in the non-food or general merchandise category and who are classified as food clerks will not have their hours reduced or be laid off as a direct result of the introduction of this classification, nor will they be reclassified to a non-food or general merchandise clerk if the Employer chooses to have them continue performing such work.

Employees assigned to exclusively work health food merchandise prior to May 2, 1983, shall not be grandfathered in their current classification.

1.3.8 With respect to the application of Section 4, Seniority, of this Agreement, employees designated as non-food or general merchandise clerks, or floor or utility clerks, will be treated as a separate, single classification. Except for layoffs and promotions, seniority for this classification shall be applied on a store-by-store basis. Employees so classified will be eligible for promotional opportunities and will be evaluated in accordance with the provisions of Sections 4.3.1. With respect to layoffs the seniority of employees in this classification within the Union's geographic

seniority area shall be recognized; provided, however, that, in layoffs, said seniority shall be applied in a manner which recognizes the qualifications required of employees in each of the following groups within this classification: floral, bakery, delicatessen, floor-utility or non-food. Except as hereinabove specifically modified, all other terms of Section 4, Seniority, shall be fully applicable to employees in this classification.

- 1.4 SUBCONTRACTING AND SUB-LEASING:** It is recognized that the Employer and the Union have a common interest in protecting work opportunities for all employees covered by this Agreement. Therefore, except for work which is exclusively inventory or janitorial work (such as washing windows, washing or waxing floors and cleaning restrooms) or work hereinabove excluded, no work covered by this Agreement, as defined in Section 1.2 hereof, shall be performed under any sublease, subcontract, or other agreement unless the terms of said lease, contract, or other agreement specifically provide:
- 1.4.1** That all such work shall be performed only by members of the appropriate unit as defined in Section 1.1 hereof; and
- 1.4.2** That the Employer, party hereto, shall at all times hold and exercise full control of the terms and conditions of employment of all such employees pursuant to the terms of this Agreement.
- 1.5** It is recognized that if the terms of the Employer's lease, contract or other agreement obligates the lessee or other party, as the case may be, to pay the wages and observe the other terms and conditions of this Agreement, then the Union agrees that the sole and entire financial responsibility for meeting the costs of observance of this Agreement shall be upon said lessee or other party and not upon this Employer and that he shall be, and by these presents is, hereby released from any and all financial liability in connection therewith.
- 1.6 STORE MANAGERS AND ASSISTANT STORE MANAGERS:** None of the provisions of this Agreement need apply to one overall supervisory store manager, the assistant store manager, and in stores of 35,000 square feet or more, a second assistant store manager and their work in each retail food store in which an owner is not actively engaged on the premises. No more than two (2) shareholders of a corporation, or more than two (2) bona fide partners shall be deemed or classified as an Employer within the meaning of this Agreement. Employers as thus defined may do such work as is necessary in the conduct of the business. All other persons performing work under the jurisdiction of the Union shall be members of the Union and shall be governed by the provisions of this Agreement.
- 1.8 NEW OWNER:** This Agreement shall be binding upon the successors and assigns of the parties hereto. Except as set forth in Section 11, Vacations, during the life of this Agreement employee benefits provided for herein shall not be affected by the sale or transfer of the business for those employees who are retained by a new Employer for a period of more than sixty (60) calendar days. For employees who choose to be employed by such new owner, such sixty (60) calendar day period shall be considered a probationary period during which time employees may be terminated without recourse to the grievance procedure, unless such termination is in violation of Section 2.4.2 or Section 3.1 of this Agreement.

1.9 SALESMEN: The Employer assumes a particular responsibility to require observance of this Agreement on the part of book-salesmen. The Employer shall give to one clerk on each shift written authorization to request any book-salesmen performing work in violation of this Agreement to cease such work. If the book-salesman does not comply with such request, then the authorized clerk shall report the matter to the Employer or store manager, who shall then cause the book-salesman to cease such work.

1.10 TRAVELING CLERKS: It is agreed by the Employer and the Union that employees may be assigned to work in two or more different stores located in the geographical jurisdiction of two or more local unions. Each such employee shall be covered by all of the terms and conditions of the Agreement, which is in effect in the area in which he works the major portion of his time. In the event that he does not work the major portion of his time in any one area, then the Employer shall designate the area Agreement under which he is working and shall give written notice of the area so designated to the Union.

1.11.1 INDIVIDUAL AGREEMENTS: The Employer agrees that no Employee covered by this Agreement shall be compelled or allowed to enter into any individual contract or agreement with said Employer concerning wages, hours of work and/or working conditions that provides less benefits than the terms and provisions of this Agreement, except by written agreement of the Employer, the Employee and the Union.

The union agrees to allow new employees to enter into separate voluntary agreements providing for arbitration of statutory discrimination claims and remedies not covered by the Collective Bargaining Agreement under current case law.

If there are any further violations, by the same vendor/non bargaining unit person, the store shall be liable in damages payable to a recognized charity mutually agreed to by the parties in the amounts below for each proven violation, on a store-by store basis:

1.12.1 At the time of the first violation, an amount equal to one (1) day's wages at the experienced clerk's rate plus health and welfare and pension contributions.

1.12.2 At the time of a second violation, an amount equal to two (2) day's wages at the experienced Clerk's rate plus equivalent health and welfare and pension contributions.

1.12.3 An additional day's wages plus the equivalent health and welfare and pension contributions shall be added cumulatively for each subsequent violation.

1.13 NEW STORES AND REMODELS: During any three (3) consecutive days preceding the reopening of an old food market or discount center of the Employer, which has been closed for remodeling for a period of thirty (30) days or less, upon prior notice to the Union, persons not in the bargaining unit may perform any work in such store.

Notwithstanding any language to the contrary contained in this Agreement between the parties, it is agreed that this Agreement shall have no application whatsoever to any new food market or discount center until fifteen (15) days following the opening to the public of any such new establishment. Neither shall this Agreement have any application whatsoever to any food market or discount center which is reopened after it has been closed for a period of more than thirty (30) days until the fifteenth (15th) day following the date of such reopening to the public.

The Employer shall staff such new or reopened food market with a combination of both current employees and new hires, in accordance with current industry practices of staffing such stores with a cadre of current employees possessing the necessary skills, ability and experience, plus

sufficient new hires to meet staffing requirements. Employees, who are thus transferred, upon whom contributions are made to the various trust funds shall continue to have contributions to the several trust funds made on their behalf in the same manner and in the same amount per hour as such contributions were made prior to their transfer.

Notwithstanding anything in this Agreement to the contrary, it is agreed that when the remodeling of an existing location occurs without such store being closed, the Employer shall only be obligated to give the members of the bargaining unit employed by him in such store an opportunity to perform the work required for such remodeling at the applicable contract rate except that such opportunity to perform such work shall not include any overtime hours. When members of the bargaining unit within such store are not available for such work, such work may be performed by persons not in the bargaining unit.

Notwithstanding anything to the contrary contained in this Agreement between the parties, it is agreed and understood that the probationary period for any new hires in such new or reopened stores referred to above shall not begin until the fifteenth (15th) day following such opening or reopening of such stores to the public.

1.14 In the event the Employer creates new jobs or job duties involving the handling or selling of merchandise not heretofore handled or sold by the Employer, such new work shall be deemed Clerks' work and performed by members of the bargaining unit, except that, for a temporary period of try-out and familiarization, not to exceed six (6) months in each store following the introduction of such new category of merchandise, the Employer may contract for the performance for all or part of such work by non-bargaining unit persons. Upon written notification from the Union that an employee has failed to make timely tender to the Union of initiation fees and/or periodic dues, the Employer agrees to terminate said employee on the eighth (8th) day from such notice unless the Union notifies the Employer in writing that the employee has complied with the provisions hereof.

If the Union discovers within thirty (30) days after the discharge of an employee that the discharge was in error, the Union shall so advise the Employer, provide the Employer with bona fide evidence that the termination demand was improper and the Employer shall then reinstate the employee with full seniority on the first weekly schedule posted by the Employer after being so notified by the Union in writing.

2.4.1 The Union shall be allowed two (2) days, on which its office is open, to refer applicants. The Employer shall retain the right to reject any job applicant referred by the Union, provided such rejection is not in violation of this Agreement. The Union agrees that the Employer may employ persons from other sources when applicants satisfactory to the Employer are not available from the lists maintained by the Union.

2.4.2 The Employer shall not discriminate against any person in regard to hire, tenure of employment or job status because of race, creed, religion, sexual orientation, color or national origin, nor shall age, disability unrelated to the job duties, veteran status or sex under any circumstances be a basis for rejection or termination of an otherwise qualified employee or applicant for employment.

The Union agrees to allow new employees to enter into separate voluntary agreements providing for arbitration of statutory discrimination claims and remedies not covered by the Collective Bargaining Agreement under current case law.

When used, the term "he" refers to human beings of either sex and is used only for grammatical simplicity.

2.4.3 Disputes or disagreements arising out of this section shall be referred to the Adjustment Board and the Arbitration process as provided for in this Agreement.

2.5 OTHER HIRING: Whenever new employees are hired for jobs covered by this Agreement, from sources other than the list maintained by the Union, or when employees are transferred to jobs covered by this Agreement from outside the jurisdiction of this Union, the Employer shall:

- 2.6 NEW EMPLOYEES:** The provisions of this Agreement shall apply to the employment of any person covered by this Agreement, while such person is not a member of the Union.
- 2.7 EXTRA WORK:** Employees on the payroll of the Employer will be given preference for additional straight-time work before any other person who has worked during the same week on another job outside the retail industry is hired for such work.

SECTION 3. DISCHARGES AND LAYOFFS

- 3.1** The Employer shall not discharge or discriminate against any employee for upholding Union principles, for serving on a committee of the Union or any organization affiliated therewith, or for refusing to purchase stocks, bonds, securities, or any interest in the Employer's business should Employer be operating as an individual, firm, company, partnership, joint stock company or corporation.

PROBATION: There shall be a probationary period of sixty (60) calendar days for all employees. During the probationary period a probationer may be discharged without right of appeal except if such discharge is in violation of Section 2.4.2 or 3.1 of this Agreement.

- 3.2 TERMINATION:** Except for reasons beyond the Employer's control, regular employees who work on three (3) days per week or more shall be given three (3) working days notice of layoff, dismissal, or discharge, or the equivalent pay, except when such termination has been for cause, such as insubordination, disorderly or improper conduct, under circumstances requiring immediate termination. Employees who work on two (2) days per week shall be given two (2) working days notice under like conditions. In all such cases the day on which such notice is given shall not be counted unless a notice is given before the day's work begins. - 3.3.1** Before a regular employee is discharged, suspended, or demoted for incompetence or failure to perform work as required, he shall receive a written warning (with a copy to the Union) and be given an opportunity to improve his work. Written warning need not be processed beyond the union filing a grievance in order to preserve the unions right to challenge the warning if it is used as progressive discipline in the future

Notices and warnings shall become null and void after six (6) months from date of issue.

- 3.3.2** Upon severance of employment of any employee, the Employer shall, within seven (7) calendar days thereafter, notify the Union of such resignation, layoff or discharge. If the discharge is for cause, the Employer agrees to submit the reasons for discharge, upon request from the Union, as soon as practicable but no later than three (3) days prior to a duly convened Board of Adjustment.

- 3.4 RECORD:** Any employee who is terminated shall, upon request, be given a statement setting forth the date of hiring and the number of hours worked during his employment.

- 3.5 POLYGRAPHS:** No Employer shall demand or require any applicant for employment or prospective employment or any employee to submit to or take a polygraph, lie detector or similar test or examination as a condition of employment or continued employment.

These rules include, but are not limited to; dress code, attendance, conduct at work, employee purchases, insubordination, tobacco and alcohol sales, harassment and other similar rules as set forth in the employer's handbook.

SECTION 4. SENIORITY

- 4.1 DEFINITION:** Seniority shall mean continuous service with the Employer and no employee shall suffer loss of seniority by reason of approved leave as provided for in this Agreement.

The Employer and the Union will meet to realign the Local Union's seniority area as needed.

- 4.2 CLASSIFICATION:** Seniority shall be by classification listed as follows in Section 1.3 and 9 hereof:

1. Managing Clerks
2. Senior Head Clerks and Senior Produce Clerks
3. Head Clerks
4. Experienced Food and Apprentice Clerks
5. Floor Clerks, Non-Food and General Merchandise Clerks
6. Courtesy Clerks- Subject to the restrictions of Section 9.1.5.4 hereof; Seniority of Courtesy Clerks shall be on a store-by-store basis, except that Courtesy Clerks transferred to another location will carry Courtesy Clerk seniority with them to the new location.

In the event that an Apprentice Clerk, who had previously served as a Courtesy Clerk, is going to be laid off before the completion of the first 520 hours of the apprentice progression then in that event the Apprentice Clerk may step back temporarily into the Courtesy Clerk classification at the store in which they are currently working until recalled.

7. Employees employed in classifications covered by addendum agreements shall be deemed separate classifications.

- 4.3 APPLICATION:** With respect to layoff, recall, and promotion, seniority shall be based upon the length of service with the Employer in the area covered by this Agreement; provided, where an employee is transferred by the Employer to such area from another area, the transferred employee shall retain all seniority rights with the Employer but shall not be entitled to exercise such rights, with respect to layoff, recall or promotion, until the expiration of six (6) months after the date of transfer, at which time his seniority shall be based upon the first day of employment by the Employer, regardless of area. However, during such period of six (6) months the transferred employee shall accrue seniority rights in the new area from the date of transfer and shall retain all seniority rights with respect to layoff, recall and promotion in the area from which he was transferred.

Reduction is part-time hours due to lack of work and weekly business fluctuations causing decreases in hours are to be handled among part-time employees by seniority and by classification on a store-by-store basis as is presently done, pursuant to Section 4.10.4.

In case of layoffs (i.e., reduction in the number of employees), Section 4.3.2 shall apply. It is recognized that an Employer's business conditions may from time-to-time require the temporary reduction of hours of full-time employees. No full-time employee in the store affected by the lack of work shall be reduced to fewer hours than those scheduled and/or worked by any part-time employee in the store. In order to effectuate the above, the Employer may make necessary operational transfers consistent with the provisions of Section 4.9. In this connection, nothing contained in this Letter of Understanding shall affect the right of the Employer to transfer employees or the right of employees to request transfers pursuant to the provisions of Section 4.4.9.

A full-time employee subject to reduction in hours as set forth in Paragraph 4 shall be given a choice of replacing the least senior full-time employee in the geographical seniority area or accepting the temporary reduction in hours in his store. If the employee elects to accept the reduction in hours, he shall have first preference for all available additional hours in that store up to and including a full-time, forty (40) hour job opening. While such an employee is temporarily working less than forty (40) hours he shall retain his full-time designation for a period of six (6) months following the initial reduction.

A regular full-time employee is:

1. One who is hired or designated by the Employer to a regular (40) hour job opening, excluding relief for vacation, illness, authorized absences, or weekly business fluctuations.
2. An employee who becomes full-time that bid list.

It is recognized that employees must possess the necessary qualifications to perform the work when asserting their seniority either into or out of the Employer's produce department or for work assignments requiring specialized skills and background.

4.3.1 PROMOTION: Determination of which employee is to be promoted will be based upon seniority and reasonable qualifications. Qualifications shall include such factors as experience, job performance, aptitude, attendance, etc. Where merit and ability are approximately equal, seniority shall control. No trial period shall be required. Where an employee who has been promoted is unable to perform the duties of the higher classification, or is being laid off from a classification above Experienced Food Clerk, he shall have the right to be demoted to his former or equivalent position without loss of seniority, and his right to such employment shall not be jeopardized by reason of such demotion; However regardless of any self-demotion permitted under the foregoing, the employer may impose disciplinary action for conduct preceding an employee's decision to self-demote.

All permanent job vacancies except Courtesy Clerks shall be posted, at each store of the Employer within the seniority area specified herein, for a period of five (5) days. The job posting shall specify the job classification and location of the store where the permanent job vacancy exists. Any employee interested in the permanent job vacancy must complete a job bid form and return it to the Store Manager on or before the expiration of the posting period. In the event the Employer decides to promote an existing employee to fill the permanent job vacancy, then in that event the selection of the employee to be promoted shall be in accordance with the provision set forth herein.

Any successful bidder who thereafter declines the promotion or is unable to perform the duties of the job shall be ineligible for any subsequent promotional bid for a period of six (6) months.

Non-Food and General Merchandise Clerks in each store who have worked in the Non-Food and General Merchandise Clerk classification for a period of two (2) full years and are desirous of promotion and are otherwise reasonably qualified for a promotional opportunity in accordance with this provision must file a semi-annual written request for promotion with the Store Manager during the first two (2) working weeks in January and July. In the event the Employer decides to promote an eligible Non-Food or General Merchandise Clerk within the store to fill the permanent job vacancy, then the selection of the employee to be promoted shall be in accordance with the provision set forth herein.

The Employer agrees to provide the Union with a list of employees, bimonthly, who have been promoted to positions above Experienced Clerk.

Employees promoted to the Food Clerk Classification from the GMC classification will be placed in the step above their present wage rate and will not be required to backfill hours.

4.3.2 TEMPORARY LAYOFF: In the reduction of the number of employees due to lack of work, the last employee hired in the classification shall be the first to be laid off and, in recall, the last employee laid off in the classification shall be the first recalled until the list of employees previously laid off has been exhausted.

4.3.3 RECALL: Employees who are laid off due to lack of work shall have seniority rights in recall for jobs subsequently available with the Employer prior to the hiring of new employees. Such employee shall concurrently be notified by telegram or certified mail, a copy of which shall be sent to the Union, and shall have three (3) days to report after receipt of a copy of such notice of recall by the Union.

4.3.4 It is further understood that the employee will not be able to claim wages under the provisions of sub-section 4.3.3 hereof except for hours lost commencing with the weekly schedule immediately following the Union's notification to the Employer of the claim, and thereafter until resolved.

If the employee or the Union gives written notice to the Employer within seven (7) days of his notice of layoff, the above provisions do not apply.

4.4 LOSS OF SENIORITY: No employee shall suffer loss of seniority unless he:

1. Is discharged for just cause;
2. Resigns or voluntarily quits;
3. Is absent from work for six (6) consecutive month due to layoff;

4.5 SCHEDULE SELECTION: The word "schedule" is interpreted to mean the weekly work schedule, including work on premium days, early and late work schedules.

- 4.5.1** It is recognized that management has the right to establish such weekly work schedules to meet the requirements of the business; provided, however, such right shall not be utilized in an arbitrary or capricious manner to deprive an employee of his ability to exercise his seniority right to select such work schedule.
- 4.5.2** Employees may select such schedules according to seniority by classification, applied on a store basis, provided they possess the necessary qualifications for the schedules selected. Qualifications shall include such factors as experience, job performance, aptitude, attendance, etc.
- 4.5.3** It is understood part-time employees may not bid for the schedule of other employees.
- 4.5.4** The Employer shall not recognize the schedule selection request of any employee if the granting of the request would place the Employer in a position of violating the contract or having to pay a penalty for improper scheduling of shift intervals, or consecutive workdays.
- 4.6** **RELIEF WORK:** Employees assigned to regular relief work may, after six (6) months on such work, request the Employer, in writing, to be assigned to work in one store. The rescheduling of such relief work shall be done within thirty (30) days and be based upon inverse seniority. This provision shall not apply to temporary relief work required as a result of illness, injury, vacation or other like temporary relief work.
- 4.7** **LISTS:** The employer agrees to provide a seniority list of employees semiannually. Such list shall be by seniority, listing the employee's date of hire, name, social security number, work location, classification, current rate of pay, and indicate if the employee is part-time or full-time.

Upon request by the union the Employer will provide legend of the company job titles and what classification they fall within the collective bargaining agreement.

It is understood that part-time and full-time status shall be provided on these lists as soon as administratively feasible for the employer.

- 4.8** **TEMPORARY ASSIGNMENTS:** The Union will cooperate with the Employer in the scheduling of employees for temporary part-time or relief work outside the geographical jurisdiction of this Agreement. However, no employee shall be discriminated against for refusal to accept such assignment.
- 4.9** **TRANSFERS:** No employee shall be required to accept a permanent transfer outside the jurisdiction of this Local Union unless approved by the Union. Requests for transfers, within the union's territorial jurisdiction, so an employee may work nearer his home will be given proper consideration, and will not be refused arbitrarily. Similarly, an employee will not be arbitrarily or capriciously transferred. Management will give proper consideration to transfer requests.
- 4.10** **PART-TIME EMPLOYEES:**
- 4.10.1** Request for full-time work: Part-time Experienced Clerks may bid for full-time forty (40) hour job openings or part-time job openings with more hours excluding relief for vacations, illnesses, or other authorized absences within the employee's assigned store, based upon said employee's seniority, provided that he makes his desire for such work known, in writing, concurrently to the Union and to the store manager. Written requests must be made every six (6) months. Written requests may not be submitted outside the specified period. The time periods for requests shall be the first two (2) full working weeks in February and August. Lists are effective the first shift of the month following the request period.

A vacancy created in an existing full-time classified journeyman food position, due to retirement, resignation or transfer outside the union jurisdiction or to a new store will be filled from the full-time bid list.

A full-time vacancy is not created when a full-time employee is transferred outside the union's jurisdiction and a full-time employee is simultaneously transferred back into the union's jurisdiction.

The store manager shall immediately, upon receipt of said request, forward same to the offices designated by the Employer. The Employer shall thereupon place the name of the employee on a list maintained by the Company for such purpose. The names of the employees shall be placed upon the list according to seniority. A copy of said list shall be forwarded at the end of each request period to the Union.

Provided the Experienced Clerk possesses the necessary qualifications and has complied with the requirement above, he shall be offered any job opening, except as restricted by the above, which might occur within the employee's assigned store before any employee is hired into said store.

No employee will be transferred into or out of a store to circumvent the application of this Section. The aforementioned provisions shall not affect the right of the Employer to transfer employees or the right of employees to request a transfer pursuant to the provisions of Section 4.9. In the event a full-time forty (40) hour job becomes available in a store in which no employee is on the bid list, the most senior employee on the bid list, with the necessary qualifications, within the geographical jurisdiction of the Union shall be offered the job before any employee is hired into said store.

4.10.2 REQUEST FOR ADDITIONAL HOURS: Part-time employees may request additional available hours within their classification on a store-by-store basis provided they have the previously mentioned qualifications, are available for the hours, and have notified their store manager, in writing, of their desire for more hours and they shall be afforded such hours by seniority.

4.10.3 REMOVAL FROM LIST: Employees refusing an offer of full-time work, requesting part-time work after having been selected for full-time work, indicating their unavailability for continued full-time work, or refusing a job opening with more hours, shall not be entitled to exercise rights set forth above until the next request period.

4.10.4 REDUCTION IN HOURS AND LAYOFF: Reduction in part-time employees' hours, due to lack of work, shall be accomplished by seniority and by classification on a store-by-store basis.

When layoffs occur due to lack of work, the last employee hired in the classification shall be the first to be laid off.

4.10.5 WAGE CLAIMS: It is understood that employees will not be able to claim wages under this interpretation, except for hours lost commencing with the weekly schedule immediately following the Union's written notification to the Employer of the claim and thereafter until resolved. If the employee or the Union gives written notice to the Employer within seven (7) days of his notice of layoff, the above provisions do not apply.

4.10.6 WEEKLY GUARANTEE: Effective sixty (60) days following ratification, each part-time employee (excluding Courtesy Clerks) shall be scheduled for at least twenty-four (24) hours work in each week.

Each Courtesy Clerk shall be scheduled for at least sixteen (16) hours work in each week.

The parties agree that such time shall not be considered time worked for purposes of overtime, benefit contributions or other incidents of "time worked." In all such instances the Employer shall be notified not less than two (2) weeks in advance of such absence and the number of employees requesting such absences shall be so limited by the Union that it will not interfere unreasonably with the Employer's business.

The Employer agrees to schedule any employee who is an officer, or a representative of the Union, in any capacity of the Union, hours of work that will permit him to attend the meetings of the Union, provided that it does not exceed one (1) employee per store or two (2) meetings per year. The Employer further agrees that these representatives will not suffer any loss in their normal scheduled hours in the week that they attend said Union meetings. It being understood that in doing so the Employer shall not be placed in a position of violating the contract or having to pay any penalty for improper scheduling. The Union agrees that it will give the Employer seven (7) days advance notice of the date and time of the meeting referred to above. This provision shall also apply to new members who are required to attend meetings for the purpose of completing their obligations as members of the Union.

Should an employee be notified, by a representative of management, that he will be subject to an investigative interview, by the Company, the employee shall be given an opportunity to speak briefly with the Store Representative, if the Store Representative is on duty. The Store Representative shall be given the opportunity of a brief, private meeting, with the employee to be interviewed, so that he may be informed of his right to request a Union Representative to be present during the interview.

Such Union Store Cards and decals are, and shall remain the property of said U.F.C.W. and the Employer agrees to surrender said Union Store Cards or decals to an authorized representative of the

Notwithstanding the above, no such retroactive wage claim shall exceed ninety-one (91) days.

9.1.4 APPRENTICE CLERKS: An Apprentice Clerk is an employee who has had less than 7,800 hours experience in the retail food industry. An Apprentice Clerk may perform the duties of any classification except Managing Clerk or Head Clerk.

9.1.5.3 WEEKLY GUARANTEE: Each Courtesy Clerk shall be offered at least sixteen (16) hours work in each week. In the event said Courtesy Clerk cannot be scheduled to work or cannot work sixteen (16) hours in the week, he shall not work at all during that particular week.

9.1.5.5 BADGES: Courtesy Clerks shall wear badges on their person designating them as a Courtesy Clerk at all times during working hours, and their failure to wear such badge while working shall be considered a violation of these provisions. The Union will submit to the Employer and the employee involved a written warning and in the event of a second violation with the same Employer by the same employee, the Employer agrees to suspend said employee for six (6) calendar months following written notice from the Union to the employee and the Employer involved. If the Employer does not furnish the badges, the Union may furnish them.

Except that where any employee of a higher classification is relieved for a meal period, or the mere occasional or incidental performance of the duties of a higher classification shall not be construed as entitling the employee to the pay of the higher classification.

9.3 STEP UP RULES: The following rules are applicable at stores where Managing Clerks, Senior Head Clerks, Senior Produce Clerks, Head Clerks are employed.

9.3.1 MANAGING CLERKS, SENIOR HEAD CLERKS AND HEAD CLERKS

9.3.1.1 When the Managing Clerk is absent for one shift (8 within 9 hours) or more and the store is open beyond the hours during which the Senior Head Clerk (acting as Managing Clerk) is present, another regular employee on duty during such hours shall be paid at the Senior Head Clerk's rate for his entire shift, except that where there is a regularly employed Head Clerk (40 hours per week) in the store during such hours, he may continue to be paid at his regular Head Clerk's rate.

9.3.1.2 On the Senior Head Clerk's day or days off, another regular employee on duty during said days shall receive the Senior Head Clerk's rate for each such shift worked, except that where there is a regularly employed Head Clerk (40 hours per week) on duty in the store during said days he may continue to be paid at his regular Head Clerk's rate.

9.3.1.3 On any day when the store is open beyond the regular shifts (8 within 9 hours) of both the Managing Clerk and the Senior Head Clerk, another regular employee on duty during such hours shall receive the Senior Head Clerk's rate for his entire shift, except that where there is a regularly employed Head Clerk (40 hours per week) in the store during such hours he may continue to be paid at his regular Head Clerk's rate.

9.3.1.4 When the Senior Head Clerk is absent for any period because of illness, vacation or other reasons, another regular employee or a Head Clerk, as the case may be, shall be paid at the Senior Head Clerk's rate for all such time worked during the said absence of the Senior Head Clerk.

9.3.2 SENIOR PRODUCE CLERKS

9.3.2.1 On the Senior Produce Clerk's day or days off, another regular employee shall be paid at the Senior Produce Clerk's rate for all hours worked in the absence of the Senior Produce Clerk, except that if the Senior Produce Clerk has Sunday as a day off, no other employee on duty on Sunday need be paid at the Senior Produce Clerk's rate unless he performs the Senior Produce Clerk's duties on said day.

9.3.2.2 When the Senior Produce Clerk is absent for any period because of illness, vacation or other reasons, another regular employee shall be paid at the Senior Produce Clerk's rate for all such time worked during the said absence of the Senior Produce Clerk.

9.3.2.3 It is understood by the parties that "small stores" should be exempt from the application of these rules. It should be noted that we have been unsuccessful in an effort to define a "small store." However, through agreement with various Local Unions or otherwise, certain Employers in this category have not been following the step-up rules and they shall continue to be exempt. Certain other Employers in this category have been following the step-up rules and they shall continue to adhere to the rules. In the event that the Union protests failure to adhere to these rules by companies who have not been following them, there should be a joint committee established to determine whether or not the Employer falls in the "small store" category. Likewise, for any Employer who has been following the rules, he may protest the application of those rules to his operation and this same joint committee shall endeavor to determine whether his operation falls in the "small store" category. In the event a company who has not been following the rules is determined to be ineligible for the "small store" exemption, application of the rules shall be prospective only.

9.4 DEMONSTRATORS: All work connected with or incidental to the demonstration of merchandise offered for sale in the Employer's retail store (except merchandise referred to in Section 1.2

hereof as being excluded from this Agreement) shall be covered by this Agreement, and all such work shall be performed only by members of the appropriate unit as defined in Section 1.1 hereof. It is understood that the handling of coupons is not demonstrator's work. No Demonstrator may perform such work in the Employer's retail store unless said Demonstrator is on the payroll of the Employer, and unless the Employer at all times holds and exercises full control of the terms and conditions of employment of any such Demonstrators while such work is being performed in the Employer's retail store. Demonstrators shall be covered by all the terms of this Agreement. However, the Employer is not required to make contributions to the health-and-welfare trust fund on behalf of Demonstrators.

Demonstrators shall receive the same increases over the life of this Agreement as applies to General Merchandise Clerks, i.e. .25 cents per hour with an ending rate of \$12.00 per hour.

9.5 TRAVEL ALLOWANCE: An employee who is hired to work on a full-time basis in one store who is temporarily assigned to relief work in another store, shall be entitled to reimbursement for the following travel expenses:

1. Mileage for the extra travel resulting from such assignment (or established bus or taxi fare if so designated by the Employer) according to the amount provided for under the Internal Revenue Service Regulations. Increase in the amount provided for under Internal Revenue Service Regulations shall be effective the date such increase is to be effective under the Internal Revenue Service Regulations or the week following notification to the Employer by the Union whichever is later.

2. Reasonable allowance for board and lodging when required to stay away from home overnight.

3. Necessary out-of-pocket expenses such as bridge tolls and parking fees.

The above provisions shall not apply to an employee who is hired for or regularly assigned to relief work or to work in different stores on different days of the week.

9.6 TRANSPORTATION: Any employee who is required by the Employer to perform his or her regular duties in more than one store in any day, shall be reimbursed for necessary out-of-pocket and mileage expenses, as provided for above. No such transfer shall be made in a manner to interfere with the lunch hour of the employee so transferred, and all time consumed in travel from one store to another shall constitute a part of the regular day's work of the employee.

9.7 TRANSFER OR REMOVAL OF WORK: No work now being performed by employees in the unit covered by the collective bargaining agreement shall be transferred or removed from the unit without consultation and negotiation with the Union and unless the transfer or removal of such work is required for the purpose of promoting improved operating techniques, technological changes, automation or other factors connected with more efficient operations, as distinguished from reasons connected with securing the performance of such work at lower rates of pay or under less favorable employment conditions.

9.7.1 Where as a result of such consultation and negotiations it is determined that the transfer or removal of any work is justified upon the considerations set forth above, the parties shall seek to determine the extent of the work transferred or removed and the number of jobs or hours of work to be lost by the Union members affected. Based upon such findings the following remedies shall be applied:

9.7.1.1 Any employee losing hours of employment by reason of such transfer or removal of work shall either be compensated at his regular rate of pay for such hours, or he shall be given other

comparable employment by the Employer in the area covered by this Agreement at compensation equal to that received by him prior to the work transfer. If the comparable employment is within the bargaining unit then he shall retain his seniority and other benefits under the contract.

- 9.7.1.2** The Employer shall attempt to provide any employee losing his job as a result of any such transfer or removal of work with other comparable employment in the area covered by this Agreement without loss of pay, status, seniority, or other benefits. Any employee not receiving such other employment shall receive one (1) week's severance pay for each year of service with the Employer, provided that if an employee receives such comparable employment outside the bargaining unit and does not remain in such employment for at least thirty (30) days he shall receive the full severance pay provided for herein.
- 9.7.2** Any employees who lose work or employment as a result of the failure of the Employer to observe the requirement provided for herein for consultation and negotiation concerning transfers or removals shall be entitled to full pay at their regular rate of pay for all such loss of work or employment.
- 9.8** Notwithstanding the above, it is agreed that should the Employer intend to institute electronic check-out systems which would have direct, material impact on employment covered by this Agreement, the Employer shall give the affected Union or Unions at least sixty (60) days' written, advance notice by certified or registered mail setting forth the nature of such intended changes and/or methods of operations.
- 9.8.1** Upon written request by the Union, negotiations shall commence with respect to the following subjects: rates of pay for new jobs which might be created; transfer to comparable work, within or outside the bargaining unit or the disposition of displaced employees resulting from the institution of such new methods.
- 9.8.2** In the event the parties do not reach agreement within such period, then all unresolved issues as set forth above, shall be submitted to final and binding arbitration. It is not the intent of the parties that such negotiations or arbitrations will in any way jeopardize the efficiencies and increased productivity to be gained by the installation of such systems. The arbitrator shall be selected in accordance with the provisions of Section 18.
- 9.8.3** The parties further agree that the arbitrator's decision shall be final and binding, and that there will be no strikes, work stoppages, lockout, or economic action of any sort or form employed by either party in connection with or arising out of any dispute concerning or related in any way to the operation of this Section.
- 9.8.4** It is agreed and expected that the parties will exert every effort to accomplish the foregoing within the sixty (60) day allotted period, but failing to do so, shall not prohibit or in any way impede the Employer from installing or effectuating any such new methods, systems, or equipment upon the expiration of the allotted sixty (60) day time period, unless such period is extended by mutual written agreement. The decision of the arbitrator or the parties shall be effective on or retroactive to the date such new methods are installed. The cost of the impartial arbitrator shall be borne equally by the parties.

- 10.1** The following days shall be recognized as paid holidays: Employee's Birthday, New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day, employee's anniversary date of employment and a floating holiday. Employees hired on or after ratification of this agreement shall be entitled to the birthday holiday after one (1) year of employment, and a floating holiday and anniversary holiday after the completion of three (3) years of employment.

All earned personal holidays (i.e. birthday, anniversary, and floating holidays) not taken within a calendar year will be paid at termination or at the end of each calendar year, whichever occurs first. - 10.2 HOLIDAY WEEK:** Any employee who has reported for work on his scheduled working day immediately preceding and his scheduled working day immediately following a recognized holiday, except when permission to be absent has been granted by the Employer or when the absence is due to a bona fide illness of the employee, shall receive holiday pay at his regular rate of pay. It is understood that in order to qualify for holiday pay an employee must work at least one (1) workday during the week in which the holiday falls.
- 10.3 OTHER HOLIDAY OBSERVANCE:** Where the Employer closes his store to the public on any day of special religious significance, or on any legal holiday other than those listed above, it is understood that he shall reschedule his regular full-time employees to work their normal number of working hours that week.
- 10.4 GOOD FRIDAY:** Employees desiring time off on Good Friday to attend bona fide religious services shall request such time of at least 2 weeks in advance. All such request for time off shall be granted, provided that a sufficient number of qualified employees are still available to properly staff the store as determined by the employer. If due to an excessive number of request for time off it becomes necessary to require employees to work Good Friday, such assignments shall be made by inverse seniority from among those employees requesting the time off. An employee taking time off will receive straight-time pay or permitted to make up such time off.
- 10.5 ADDITIONAL HOLIDAYS:** Employees with at least 25 years of service with the Employer will receive two (2) additional holidays each year. The one holiday will be earned June 1 and the second will be earned on October 1 of each year.

Employees who continue in employment with a new Employer acquiring a store shall have their service prior to the time of acquisition credited by the new Employer.

The new Employer shall be obligated to make vacation payments after the acquisition in accordance with the employee's service with the new Employer.

The former Employer shall pay each of his employees earned vacation time prorated to the time of the sale or transfer of the business.

- 11.7 SCHEDULE:** The Employer agrees to post the available vacation dates for each classification by January 1st of each year. If an employee fails to exercise his vacation selection right by February 1st, or has lost his prior selection by reason of less seniority, the employee may select from the remaining available periods. The selection of vacation periods must be completed by March 1st of each year. If an employee fails to select his or her vacation by March 1st, that employee's vacation period will be assigned by the Employer. The employer will post a copy of the final approved vacation dates.

- 11.8 SELECTION:** The selection of vacations shall be on a store basis by seniority except:

1. The vacation of an employee shall not be changed if it was scheduled prior to his transfer from one store to another;

2. If an employee does not have a scheduled vacation at the time of such transfer, the scheduling of his vacation shall be based solely upon his seniority status in the store to which he is transferred.

- 11.9 PERIOD:** Vacation periods shall be granted between March 1 and November 1 of each year, or at other times if mutually agreeable to the Employer and employees affected, but in all cases at least ten (10) days notice of the date of vacation shall be given each employee. SECTION 12. HEALTH, WELFARE, AND SICK LEAVE

- 12.1 EMPLOYER ACCEPTANCE:** The Employer agrees to accept and be bound fully by the terms of that certain Declaration of Trust dated April 17, 1974, as amended, providing for the Northern California Food Employers and Retail Clerks Unions Benefit Fund as the same may be applicable to the Welfare Plan therein provided for, and any amendments thereto. The Employer hereby acknowledges receipt of a copy of said Declaration of Trust.
- 12.2 EMPLOYER CONTRIBUTIONS:** Effective with hours April 2005, payable in May 2005, the Employer agrees to contribute \$5.41 for all classifications under the term of this Agreement. Accordingly, the contribution rate shall be adjusted to \$5.42 effective the last twelve (12) months of the collective bargaining agreement.

Such contributions shall be made on all straight-time hours worked, including Sundays, and/or hours compensated, such as vacations and holidays. Contributions shall be made on or before the 20th of the month for covered hours worked during the previous month. It is understood that the contributions required on behalf of any employee shall not exceed forty (40) straight-time hours per week or two thousand eighty (2,080) straight-time hours in any calendar year.

- 12.3 PROMPT PAYMENT:** The parties recognize and acknowledge that the regular and prompt payment of Employer contributions to the Fund is essential to the maintenance of the Health & Welfare Plan, and inasmuch as beneficiaries under the Plan are entitled to benefits for the period of time that they may have worked while covered by the plan even though contribution have not been paid on their behalf by their Employer, that it would be extremely difficult, if not impractical to fix the actual expense and damage to the Fund and to the Plan which would result from the failure of an individual Employer to pay such monthly contributions in full within the time provided; therefore, the amount of damage to the Fund and Health and Welfare Plan resulting from any such failure shall be presumed to be the sum of Twenty Dollars (\$20.00) per delinquency, or 10% of the amount of the contribution or contributions due, whichever is the greater, not to exceed the sum of One Hundred Dollars (\$100.00) per delinquency, which amount shall become due and payable to the Fund as liquidated damages and not as a penalty, upon the day immediately

following the date upon which the contribution become delinquent, and shall be in addition to said delinquent contribution or contributions.

Notwithstanding the above, interest on unpaid contributions will accrue at the rate of 10% per annum, commencing with the first day of the month following the month in which the contributions is due. In addition, if legal action is pursued to collect delinquent contributions, the statutory provisions in ERISA will apply and liquidated damages shall be assessed in an amount equal to the greater of 20% of the unpaid contributions are paid. The Trustees shall have the authority to adopt and to amend from time to time written Delinquency Collection Procedures, which shall specify the interest, liquidated damages and other amounts to be assessed on any delinquency, and the procedures for collecting same and such Procedures shall be binding on the employer.

12.4 HEALTH PLAN BENEFITS: The Trustees are authorized and directed to modify benefits, for both active employees and retirees, in the manner set forth in the Letter of Understanding and otherwise consistent with this Agreement. The Trustees shall implement and maintain over time a schedule of benefits and plan design, including a prudent operating reserve that can be supported by the applicable hourly contribution rate. These changes shall be made by the Trustees as soon as possible following ratification of this Agreement, except that plan changes for those prior to or on ratification shall become effective June 1, 2005.

Effective for all employees hired after the ratification date of this Agreement, the Trustees shall establish a new Plan C. Plan C shall include the following attributes:

The initial eligibility rule will be modified to require 5 months of qualifying hours, of which the first two months must be met consecutively, Single coverage will begin the first day of the second month following the fifth month of qualifying hours.

- Plan C shall cover the employee only (no dependent coverage) during the first eighteen months of initial eligibility in Plan C. Dependents, as currently defined by the Plan, shall commence coverage under Plan C beginning with the 19th month of eligibility.
- Plan C employees (and their dependents) shall commence coverage under Plan B after the employee has completed 36 months of eligibility in Plan C.
- There shall be no HMO medical plan option under Plan C, unless the trustees agree to an acceptable plan design.
- Effective for all employees who are not participants in Plan A as of the ratification date of this Agreement, the period of required participation in Plan B (before becoming eligible for Plan A coverage) shall be increased from 24 months to 36 months.

The Plan's current monthly straight-time work hours requirements for each classification of employment, as they related to eligibility, shall continue to apply.

Effective June 1, 2005 and there after, any employer that desires to cover all of its employees under Plan A shall pay an employer contribution rate for those additional employees sufficient to cover the projected cost of that plan as determined by the co-consultant during the term of this Agreement.

12.5 INDUSTRY JOINT COMMITTEE: A committee consisting of Union Representatives and Employer Representatives shall be formed to recommend methods to provide benefits more efficiently and economically to the Plan participants and to discuss matters of mutual concern affecting the parties' contract and the retail food industry.

12.6 LEGISLATION: In the event of legislation providing health and welfare or sick leave benefits,

which are also provided for under this Agreement, Trustees are directed to amend the plan document immediately, deleting duplicated benefits. If by reason of the elimination of duplicated benefits there is a savings to the Employer and the Fund, after the cost thereof is set off against the cost required of the Employer to finance said benefits, the Trustees shall meet no later than thirty (30) days from the effective date of the legislation to determine how said savings shall be used by the Fund. If the Trustees fail to reach an agreement they shall proceed, under the Trust Agreement, to decide such deadlock within seventy-five (75) days of the effective date of the legislation. Any cost reductions to the Employer and the Fund attributable to a cost required of the employee under the legislation will be passed on to the employee through other health and welfare changes. In the event Medicare becomes secondary in the application of the retiree benefit plan the Trustees will take immediate and remedial action to protect the financial integrity of the Plan.

12.7 COST CONTAINMENT: The Trustees are authorized and directed to study and expand cost containment programs where appropriate, for both the active and retiree plans.

12.9 RETIREE BENEFITS: The Collective Bargaining parties recognize that Retiree Health and Welfare Benefits are not vested benefits. Pursuant to this Agreement, a contributing Employer's sole and only obligation is to contribute, during the term of this Agreement, the specific contributions required under this Agreement. Despite the adoption of a Plan of Benefits that may currently be available to Plan participants, the Employer's liability for any and all health and welfare benefits, including Retiree Health and Welfare Benefits, shall be limited to the contribution specified in this Section, and for the period of this Agreement. The parties authorize and direct the Trustees of the Health and Welfare Plan to take the necessary action to assure compliance with the terms of this paragraph.

The Trustees are authorized and directed to require that retirees contribute \$70 per month per retiree toward the cost of retiree health care benefits. This provision shall not impact the retirees' cost for the self-pay retiree plan. Any retiree who does not make the required monthly premium shall lose coverage under the Plan in accordance with such rules and regulations adopted by the Trustees.

The retiree eligibility will be modified to require that a participant is eligible for retiree health and welfare if they meet the following:

- 15 years of credited service in the Valley Fund, or
- A combined 15 years of service with either the Bay or Valley Funds, provided a majority of service (i.e. more than 7.5 years) was in the Bay Fund.

12.10 BUSINESS EXPENSE: It is understood that the provision for a Health and Welfare, Dental, Vision Care, Drug and Sick Leave Plan(s) is being entered into and continued upon the condition that all payments shall be deductible in the year in which the contribution is made as a business expense under the Internal Revenue Code as it presently exists or as it may be amended subsequent to the date of this Agreement and under any similar state revenue or tax laws.

12.11 ACTIVE DENTAL PLAN: The Trustees are authorize and directed to modify the dental plan, in addition to

those changes set forth in the attached Benefit Summary for Plans A, B and C as follows:

- Replace Delta Dental with the "UFCW Dental Plan" model that includes the retention of dental consultants to manage and review dental claims, or

- Implement a dental PPO program (Delta Dental or any other qualified provider).

This change will become effective by July 1, 2005, or as soon as possible thereafter. The purpose of this program is to achieve administrative cost efficiencies beyond the plan design changes outlined in the Benefit Summary.

12.12 EXTENDED COVERAGE: The eligibility rules shall provide that if an employee's employment is terminated, eligibility shall cease at the end of the month following the month in which the employee's employment is terminated and no self-payment shall be allowed thereafter. The eligibility and self-pay rules shall not apply (and current rules shall apply) in the following cases:

- (a) The employee is on disability or Workers' Compensation leave of absence or establishes a disability or Workers' Compensation claim with an effective date prior to the expiration of the one (1) month eligibility extension.
- (b) The employee is re-employed or reinstated by a contribution employer prior to the one (1) month eligibility extension.
- (c) The employee is laid off.

12.13 SICK LEAVE BENEFITS: All employees who have been employed for a period of six (6) months shall be entitled to thirty-six (36) hours of sick leave with pay. Unused sick leave shall accrue at the rate of six (6) hours per month thereafter not to exceed a maximum of three hundred and sixty (360) hours.

SICK LEAVE PAYOUT:

1. Eligibility: In order to be eligible for a sick leave payout, an employee must have the maximum of three hundred and sixty (360) hours accumulated sick leave as of December 31.

2. Amount of Pay-Out: Each employee who is eligible for a sick leave pay-out in accordance with paragraph (1) shall receive Four Hundred Dollars (\$400) less Ten Dollars (\$10) for each hour of sick leave used during that calendar year.

Payments shall be made as soon after the end of the calendar year as administratively feasible.

TRANSFER OF PARTICIPANTS: Effective May 1, 2005, all participants in the UFCW Northern California and Employers Health and Welfare Trust Fund (herein "Valley Fund") who are members of UFCW Local Unions 101 and 839 shall become participants of the UFCW Bay Area Health and Welfare Trust Fund (herein "Bay Fund"). These participants shall participate in the Bay Fund on the same basis as other participants, and Employers shall contribute to the Bay Fund and Valley Fund on their behalf as provided herein. The Trustees of the Bay Fund and Valley Fund are authorized and directed to effectuate this transfer in a manner consistent with the terms of this Agreement.

The Trustees of both the Bay Fund and Valley Fund are instructed to develop a plan and strategy to accomplish this transfer in a manner that is both fair and equitable to both plans and to the participants including if determined appropriate a transfer of assets and liabilities attributable to the transferred participants.

The transition of eligibility shall be handled in a manner that is seamless such that all transferred participants from the Valley Fund shall be eligible to participate in the Bay Fund in the same manner as though no transfer had occurred. No transferred participant shall lose eligibility they would have otherwise been entitled to receive in the absence of this transfer. Likewise, no

participant will gain eligibility that they would not have otherwise if no transfer had occurred.

FLEXIBLE SPENDING ACCOUNTS: The Trustees are authorized and directed to establish a study committee to review the legality, feasibility and desirability (including the administrative difficulties, expense and level of expected and level of expected Employer participation) of setting up and maintaining an employee funded Section 125 Flexible Spending Account ("FSA"). If an FSA is determined to be legal, feasible and desirable in this context, the trustees are further authorized and directed to establish such arrangement and offer it to Employees covered buy this Agreement; provided that FSA shall not be offered to Employees of an employer who is unwilling that the FSA shall not be offered to Employees of any employer who is unwilling or unable to permit Employee participation in the FSA.

12.16 MODIFICATIONS TO LOCAL 101'S NORTH COAST FOOD STORE CONTRACT AND LOCAL 829'S FOOD AGREEMENTS: (New Section)

Section 12 of Local 101's North Coast food Store Contract and Local 839's Food Agreements shall be amended to provide for contributions being made to the UFCW Bay Area Health and Welfare Trust Fund, effective with May 2005 contributions based on March 2005 hours worked.

12.17 MODIFICATION TO THE TRUST AGREEMENT:

Indemnification: Limitation on Liability

- c. Neither the Trustees collectively nor any individual Trustee shall be liable personally to anyone for any action taken or omitted by any one or more of them or by their agents or other representatives, in connection with the administration of the Trust Fund; provided, however that nothing herein shall exempt the Trustees from liability arising out of their individual or collective acts done or suffered in violation of the duties and responsibilities imposed on Trustees by Title I, Part 4 of the Employee Retirement Income Security Act of 1974 ("ERISA").
- b. The Trust Fund shall to the maximum extent permitted bylaw exonerate, reimburse, indemnify and hold harmless the Trustees, individually and collectively, against all claims, actions, suits, cost, damages, expenses, losses and liabilities arising from their acts or omissions as Trustees.
 - c. The Trustees shall have the power to and may in their discretion pay legal fees and other expenses of litigation incurred by any Trustee or Trustees in defending a civil or criminal action, suit or proceeding against him or them in advance of the final disposition of such action, suit or proceeding, and as such case if the Trustees determine that such Trustees acted in good faith with what her or she reasonably believed to be the scope of his or her duties or authority, and upon receipt of an undertaking by or on behalf of the Trustee, to repay so advanced, unless it shall ultimately be determined that he or she is entitled to be indemnified buy the Trust Fund as authority in this Section 15.

If any of the foregoing provisions should be held by a court of competent jurisdiction to go beyond what is legally permissible, the provisions at issue shall be enforced and applied to the maximum extent legally permissible, and the remaining provisions shall be given full effect insofar as the law permits, it being the intention of the Trustees that any invalid provisions be severable from the others.

SECTION 13. PENSION

- 13.1 EMPLOYER ACCEPTANCE:** The Employer agrees to accept and be bound fully by the terms of that certain Declaration of Trust dated April 1, 1957, providing for the UFCW – Northern California Employers Joint Pension Trust Fund as the same may be applicable to the Pension Plan therein

provided for, and any amendments thereto. Employer hereby acknowledges receipt of a copy of said Declaration of Trust.

- 13.2 EMPLOYER CONTRIBUTIONS:** Effective with hours worked June 2005 (or, if later, the first day of the month in which the benefit changes become effective, or if those changes become effective on a day other than the first day of the month, then the first day of the following month, this is referred to as the "contribution effective date"), the Employer agrees to contribute to the Trust Fund for the term of the Agreement based on the following rates:

One dollar and twenty-nine cents (\$1.29) per straight-time hour for the first twelve months following the contribution effective date for Clerks and one dollar and ninety Cents (\$1.90) per straight-time hour for the first twelve months following the contribution effective date for Meat Cutters.

One dollar and fifty-six cents (\$1.56) per straight-time hour for the twenty-fifth (25th) month following the contribution effective date for Clerks and two dollars and fourteen cents (\$2.17) per straight-time hour for the twenty-fifth (25th) month following the contribution effective date for Meat Cutters.

The Seventh (7) month deferral of contributions for accounting and actuarial purposes, first implemented for the Trust Fund's 1999 fiscal year, continues to be in effect.

Such contributions shall be made on all straight-time hours worked by all employees covered by the Collective Bargaining Agreement, including Sundays, and/or compensated, such as vacation and holidays.

Contributions shall be made on or before the 20th of the month for covered hours worked during the preceding calendar month. It is understood that the contributions required on behalf of any employee shall not exceed forty (40) straight-time hours per week or two thousand and eighty (2,080) straight-time hours in any calendar year.

An employee shall receive both vesting and benefit accrual credit for all hours compensated (including those for which no contribution is due to the Trust) to a maximum of forty (40) hours per week and two thousand and eighty (2,080) hours per year. For employees who are hired on or after ratification of this agreement their benefit accrual credits will not begin until they have met the eligibility requirements described below.

In the event that the contributing Employers are required to make any additional contributions above the negotiated contribution rates in order to avoid funding deficiencies, the contributing Employers will receive a dollar for dollar credit for additional contributions in any subsequent plan year where there is sufficient excess funding exceeding the minimum funding level required to offset the additional contribution provided this offset does not create a minimum funding deficiency the following plan year. In other words the employer payments in excess of the negotiated contributions will create future contribution suspensions that will be taken as soon as possible as long as the minimum funding concerns outlined above are met.

- 13.3 TERMINAL VACATION PAY:** Upon retirement, no Trust Fund contributions will be required of the Employer on terminal vacation pay made to an employee at retirement. The employee's retirement benefits will not be delayed and he will receive credit for hours even though contributions are not required.

PROMPT PAYMENT: The parties recognize and acknowledge that the regular and prompt payment of Employer contributions to the Fund is essential to the maintenance of the Pension Plan, and inasmuch as beneficiaries under the Plan are entitled to pension benefits for the period of time that they may have worked while covered by the Plan even though contributions have not been paid on their behalf by their Employer, that it would be extremely

difficult, if not impractical to fix the actual expense and damage to the Fund and to the Pension Plan which would result from the failure of an individual Employer to pay such monthly contributions in full within the time above provided; therefore, the amount of damage to the Fund and Pension Plan resulting from any such failure shall be presumed to be the sum of Twenty Dollars (\$20.00) per delinquency, or ten percent (10%) of the amount of the contribution or contributions due, whichever is the greater, not to exceed the sum of One Hundred Dollars (\$100.00) per delinquency, which amount shall become due and payable to the Fund as liquidated damages and not as a penalty, upon the day immediately following the date upon which the contributions become delinquent, and shall be in addition to said delinquent contribution or contributions.

13.5 BENEFITS: The Trustees are authorized and directed to modify benefits in accordance with the following provisions, and otherwise in accordance with the provisions of this Agreement:

Effective June 1, 2005, future benefit accrual rates will be:

For the first ten year of benefit credit the benefit accrual rate will be \$33.68

For all years of benefit credit after the first ten years the benefit accrual rate will be \$44.90

Other benefit accrual rates for lower contribution rates will be adjusted in a similar manner by the Trust Fund's Co-Consultants

The Trustees shall implement and maintain over time a pension plan design that can be supported by the contribution rates called for in this Agreement. The Trustees are further authorized and directed to make necessary amendments to avoid any funding deficiencies and otherwise in accordance with provisions of any long-term funding policy for the plan, that may be adopted by the Trustees.

The Trust Fund shall prepare and distribute an ERISA Section 204 (h) notice, and any other required notices and filings, to Trust Fund participants in order to implement the above referenced changes by June 1, 2005.

The following additional changes will be implemented for those employees who are hired on or after ratification of this agreement (referred to as "New Hires"):

New Hires must be at least age 21 and have one year of service to meet the eligibility requirements for participation.

For New Hires, one year of service for eligibility purposes is defined to be at least 750 hours of service

New Hires will be 100% vested after five years of service

New Hires will not be eligible for the Rule of 85 retirement benefits

New Hires normal retirement age will be age 65

New Hires early retirement eligibility will be age 55 with 5 years of service

New Hires who retire early (prior to age 65) will have their accrued benefits reduced on an actuarial equivalence basis

13.5.1 Effective for retirements on and after September 2, 2001, increase the pension benefit rates to

forty-nine dollars and ten cents (\$49.10) for the first ten (10) years of Credited Service and to sixty-five dollars and forty-five cents (\$65.45) for all Credited Service thereafter, without limit (\$1,800 per month with 30 years). This improvement shall not apply to service earned prior to any Separation in Service incurred on or before December 31, 2000.

Effective for retirements on and after September 1, 2003, increase the pension benefit rates to fifty-one dollars and eighty-two cents (\$51.82) for the first ten (10) years of Credited Service and to sixty-nine dollars and nine cents (\$69.09) for all Credited Service thereafter, without limit (\$1900 per month with 30 years). This improvement shall not apply to service earned prior to any Separation in Service incurred on or before December 31, 2000.

Effective September 1, 2003, all retirees and survivors with a retirement date from September 2001 through August 2003 who are still in pay status will receive a retroactive increase in their pensions. All years of Credited Service worth forty-nine dollars and ten cents (\$49.10) will increase to fifty-one dollars and eighty-two cents (\$51.82), and all years of Credited Service worth sixty-five dollars and forty-five cents (\$65.45) will increase to sixty-nine dollars and nine cents (\$69.09). The retroactive increase will be paid in a lump sum for the number of months since actual retirement through August 2003.

- 13.5.2** Subject to the Separation in Service rules increase the benefit for a 30-year employee from a level of \$1650.00 to a level of \$1800.00 effective September 1, 2001, and to \$1900.00 on September 1, 2003, which applies retroactively to employees who retired on or after September 1, 2001.

General Merchandise/Non-Food employees who formerly worked at GEMCO and directly went to work for Lucky stores and are current active employees of Albertson's or Ralph's without having experienced a break in service may receive past service credit under the Food Pension Plan. In calculating the amount of benefits such employees are entitled to upon retirement under the Pension Plan, an offset shall be applied to reflect the value of any annuity they are entitled to from the GEMCO plan.

Consistent with Federal, State and Local laws, credit for military service with a covered employer upon return to Northern California covered employment.

The Trustees are directed and the Employers agree that subject only to the IRC minimum funding requirements, continue the suspension of the employer contributions through September 11, 2004. The Employers agree that they must pay at least the minimum contribution as required by the Internal Revenue Code, even if such contribution would require a contribution rate above the hourly amount of \$1.17.

- 13.5.3** Provide an unreduced benefit for retirements where age plus service equals 85.

Effective September 1, 2001 make the level income option available at retirement if retiring under the Rule of 85.

- 13.5.4** The Trustees are authorized and directed to pay a 13th check in December 2001, December 2002, and December 2003. The 13th check shall be paid to all retirees and survivors based on current length of retirement rules. The five-cent Supplemental Fund will be eliminated and rolled into the Pension Fund.

- 13.5.5 APPLICATION FOR EXTENDED AMORTIZATIONS EXTENSIONS UNDER INTERNAL REVENUE CODE SECTION 412(e)**

The Trustees shall cause the Trust Fund to apply for an amortization extension under Internal Revenue Code § 412(e).

In the event that the application under Internal Revenue Code § 412 (e) is approved by the reviewing Government agency, the Trustees will adopt the following long term funding policy. In addition, the Trust Fund shall follow the recent guidance on how submit an application for amortization extensions under Internal Revenue Code § 412 (e) including future changes that the Board of Trustees will have to consider (specifically future contribution increases or some combination of the two).

“UFCW” – Northern California Employers Joint Pension Trust Fund Long Term Funding Policy

The co-consultants will produce with the annual actuarial valuations a seven-year actuarial projection with the goal of identifying future funding deficiencies (defined as where the negotiated contributions are not enough to satisfy the minimum required contributions under Internal Revenue Code Section 412). These annual projections will be based on the following:

- *Projections will take into account only negotiated contributions*
- *Using the assumptions and actuarial methods in the then current annual actuarial valuation as jointly agreed to by the Fund’s co-consultant*
- *No unanticipated actuarial gains or losses during the projection time period*

If the annual projection indicates any future funding deficiencies during the seven-year projection, the Board of Trustees is authorized and directed to amend future benefit accruals (or any other non-protected benefits), effective immediately, in order to eliminate the projected future funding deficiencies.

In the event that the contributing Employers are required to make any additional contributions above the negotiated contribution rates in order to avoid funding deficiencies, the contributing employers will receive a dollar for dollar credit for additional contributions. When the Board of Trustees reduces benefits to eliminate the future funding deficiencies it shall take into account that these contributions credits will be taken as reductions in the negotiated contributions in the next plan year. In other words the employer payments in excess of the negotiated contributions will create future contribution suspensions that will be taken as soon as possible and the Co-Consultants will reflect this with the annual seven-year projections.

In the event that the application under Internal Revenue Code 412(e) is denied by the reviewing government agency, the Trustees shall not be required to adopt the above long term funding.

Any deadlocked Trustee motion relating to a reduction in benefits required under the long term funding policy shall be arbitrated on an expedited basis with the arbitration to take place no later than sixty (60) days following the Trust meeting in which the deadlock occurs.

13.6 OTHER PLANS: The Employer retains the exclusive right to alter, amend, cancel, or terminate any presently existing Company sponsored Pension Plan or Employee Retirement Plan which existed prior to the establishment of the negotiated Pension Fund, provided that the effective date of such alteration, amendment, cancellation, or termination shall not occur prior to the acceptance of this Plan.

13.7 REGULATIONS: The Trust and the benefits to be provided from the Pension Trust Fund referred to here and all acts pursuant to this Agreement and pursuant to such Trust Agreement and Pension Plan shall conform in all respects to the requirements of the Treasury Department, Internal Revenue Service, and to any other applicable state or federal laws and regulations.

13.8 BUSINESS EXPENSE: It is understood that this provision for a Pension Plan is being entered into

upon the condition that all payments made by the Employer hereunder shall be deductible in the year in which the contribution is made as business expenses under the Internal Revenue Code as it presently exists or as it may be amended subsequent to the date of this Agreement and under any similar applicable state revenue or tax laws.

13.9 LIMITATION: The Employer's sole and only obligation shall be limited to the contribution requirements outlined in Section 13.2.

13.10 LEGISLATION: In the event of legislation requiring the restructuring of any of the essential elements of the Pension Plan including, but not limited to, the benefit formula, amortization period, actuarial assumptions, vesting, or administration of the benefits, the Trustees are instructed to immediately comply with such legislation in adjusting the elements on a sound actuarial basis with no change in the existing Employer contribution rate.

13.11 DEFINED CONTRIBUTION PENSION PLAN: The Trustees have established a Defined Contribution Pension Plan and Trust effective March 1, 1987, in addition to and supplemental to the Pension plan described in this Section. The Employer shall not have any obligation to contribute effective for March 2005 hours (or, if later, the contribution effective date as described in Section 13.2). Delete remainder of paragraph and following paragraph.

USE OF CONTRIBUTIONS: The Employer contribution shall be for the sole purpose of providing the pension benefits and for the administration of said program. The Trustees are not authorized to use any of the contributions or Plan assets for benefit improvements or any other purpose except as specifically provided in this Section.

13.13 OPERATIONAL PLAN RULES: The Trustees are instructed to follow these operational plan rules, and the Plan shall be amended as necessary to implement such rules:

- a. Where an employer is contributing at a rate that is less than the maximum allowed contribution level and later increases their contribution rate (but only up to the maximum contribution rate accepted by the pension fund), such increase will only increase future benefit accrual rates. Benefits accrued prior to the date that employer increases their pension contribution rate will not be affected, and will remain at the level based on the earlier employer contribution level.
- b. The Board of Trustees will instruct the co-consultants to look at situations such as, but not limited to if an Employer attempts to decrease their contribution rate after a period of contribution suspension. Such review and approval shall include a consideration of whether the contribution rate is sufficient to support the benefits promised, as well as any subsidy or equity issues, all as may be identified by the Co-Consultants to the Fund.

13.14 RE-EMPLOYMENT RULE: The bargaining parties agree to direct the Trustees to amend the Pension Plan rules for re-employment and the suspension of benefits to be consistent with the rules in effect during the 1997 collective bargaining agreement (i.e. 63 hour rule)

The Employers agree to vote to approve the currently deadlocked motion with respect to reciprocity with the UFCW National Meat Plan.

SECTION 14. FIELD ADMINISTRATION - TRUST FUNDS

14.1 The unions have determined that they are no longer willing to provide administrative functions, as distinguished from the usual and normal union services, at union expense to persons covered by the terms of the various benefit plans provided for by the Collective Bargaining Agreement. It is agreed that the portion of these functions determined to be Trust Fund functions, are properly chargeable to the Trust Funds under which said plans are established and maintained.

All expenses of the sub-administrative offices shall be paid for by the respective funds according to the formula established by the parties pursuant to the 1974 Joint Study.

- 14.2** The unions have determined that they are no longer willing to provide administrative functions, as distinguished from the usual and normal union services, at union expense to persons covered by the terms of the various benefit plans provided for by the Collective Bargaining Agreement. It is agreed that the portion of these functions determined to be Trust Fund functions, are properly chargeable to the Trust Funds under which said plans are established and maintained.

All expenses of the sub-administrative offices shall be paid for by the respective funds according to the formula established by the parties pursuant to the 1974 Joint Study.

SECTION 15. STORE MEETINGS AND CHARITABLE DRIVES

- 15.2** All employee contributions to charity shall be voluntary.

SECTION 16. CONTRACT ENFORCEMENT AND STORE VISITS

- 16.1 VISITS:** It is agreed by both parties hereto that the business representative of the Union shall have the right and shall be allowed by the Employer to visit any and all stores and shall have free access to the employees during such visits for the purpose of making inquiries from the employees relative to information concerning working conditions, complaints of members of the Union, and other matters pertaining to the enforcement of this Agreement, provided said investigation may be accomplished without interfering with the duties of the employees.
- 16.2 RECORDING TIME:** The parties agree to observe the following procedures in enforcing the terms of this Agreement with respect to authorized work and reporting of working time:
- 16.2.1** The Employer shall post the following notice in all stores:
- The law and the Union Agreement require that all time worked shall be recorded daily including starting and stopping time. All employees shall comply strictly with these requirements, and any employee failing to so comply shall be subject to discipline on the same basis as is followed with respect to any other violation of store rules or procedure.
- 16.2.2** The Union shall promptly report in writing to the Employer any observed violation by an employee of this reporting time provision or the working of unauthorized time, and the Employer will take the necessary steps with the employee to correct such violation.
- 16.2.3** Upon notification by the Union of a second such violation by the same employee, the Employer shall pay to the Welfare Fund provided for herein an amount equal to the overtime pay due and payable to the employee. In such case the employee involved shall be subject to discharge, however, retaining his right to appeal any such discharge under the terms of this Agreement.
- 16.3 FREE TIME:** When an employee willfully violates the provisions of this Agreement by working free time without the knowledge of the Employer, after a second written notice by the Union of this employee's repeated contract violation, the Employer agrees to discharge said employee within seven (7) days after receiving written notice of such violation.

SECTION 17. STRIKE OR LOCKOUT (SAFEWAY, ALBERTSON'S FORMERLY LUCKY STORES, AND RALPHS ONLY)

- 17.1** During the life of the Agreement, the Union agrees not to engage in any stoppage of work. Furthermore, the Union and its representatives, including store representatives, agree not to boycott, handbill, publicly disparage or engage in any adverse economic action against the Employer's stores covered by this Agreement. This provision does not apply in any of the Employer's stores where the Union has not been recognized by the Employer as the employees' bargaining representative.
- 17.2** During the life of this Agreement the Employer agrees not to engage in any lockout.
- 17.3** Refusal of any employee covered by the terms of this Agreement to pass through any lawful primary picket line, which has been sanctioned by the Central Labor Council of proper jurisdiction and/or the United Food and Commercial Workers International Union shall not constitute a violation of this Agreement.

SECTION 18. ADJUSTMENT AND ARBITRATION OF DISPUTES

- 18.1** For the purpose of this Agreement, a grievance is a dispute, difference of opinion, between the parties, and grievances of employees involving or arising out of the meaning, interpretation, application or alleged violation of this Agreement, including the arbitrability of all such matters. All grievances as defined are to be processed in accordance with the terms of the section.
- 18.2** **DISCIPLINARY GRIEVANCES:** Pursuant to Section 3 of this Agreement, any employee who feels he has been unjustly discharged or suspended shall file a grievance with the Union and thereafter within ten (10) business days of notice of the disciplinary action, the Union, if it desires to proceed with the grievance, shall notify the Employer or its Representative that an Adjustment Board shall be convened to hear the grievance. Within twenty (20) business days (Monday - Friday, holidays excluded) thereafter, the Union and the Employer shall meet as a Board of Adjustment, consisting of two (2) representatives of the Employer and two (2) representatives of the Union in an effort to settle the matter. The convening of the Adjustment Board may be waived or this time limit may be extended by mutual agreement of the parties. If the matter is not adjusted and is impasse, the Union, if it so elects, within twenty (20) business days following the meeting of the Board of Adjustment shall proceed to arbitration. If the Employer fails to meet with the Union within the time limits herein specified, the grievance will be deemed substantiated and the employee shall be made whole. If the Union fails to comply with the time limits herein specified, such failure shall be deemed to be a conclusive waiver of the grievance. The request of either party to extend the time limit for the convening of the Board of Adjustment due to extenuating circumstances will not be unreasonably denied. The Union's intention to proceed to arbitration shall be communicated in writing to the Employer or its representative within the twenty (20) business day time limit specified above. For disciplinary cases only the following expedited procedure shall be utilized: A panel of arbitrators will be assigned by lot to each Union for a six-month (6) period. At the expiration of each six-month period, the arbitrators will rotate in the following order: 101, 373, 428, 648, 839, 101, 1179, and back to 101, etc. The arbitrators selected will provide the parties with all hearing dates in advance of each period of assignment.

Once arbitration has been requested in writing, the grievance will be assigned to the next hearing date. The parties shall be allotted a minimum of twenty (20) days from date of request to prepare the case for arbitration. Discharge cases will be heard first on the agenda followed by suspension cases based on date of occurrence unless mutually agreed otherwise.

Disciplinary arbitrations (meaning a matter concerning a suspension, demotion or termination) will be heard without the use of a court reporter or briefs. The parties will present their evidence and witnesses and argue orally. At the conclusion of the arbitration hearing but before issuance of the

bench decision, the union and the employer will meet and in good faith attempt to resolve the grievance. If the parties are unable to settle the grievance, the Arbitrator will announce his/her decision within fourteen (14) business days and subsequently will reduce his/her decision to writing. The parties may mutually agree to waive or modify any or all of the provisions of this expedited procedure.

The appearance fee for the court reporter shall be subject to Section 18.5 and the Letter of Understanding dated March 11, 1983. At the conclusion of the hearing the arbitrator shall issue a decision within three (3) business days from either the close of the hearing or the receipt of post-hearing briefs. A written opinion and award will be furnished within thirty (30) days thereafter.

18.3 INTERPRETATION OR APPLICATION DISPUTES: Disputes as to the interpretation or application of the agreement shall be taken up by the party asserting it with the other party within twenty (20) business days of the date the asserting party has knowledge thereof. Said grievance shall be in writing, specifying in detail the basis for the dispute, including the applicable section(s) of the Agreement involved, to the best knowledge of the asserting party.

The parties shall have fifteen (15) business days in which to process and amicably adjust the dispute. By mutual agreement of the parties, the time periods provided herein may be extended.

If by the end of the period for amicable adjustment no resolution has been made of the dispute, there shall be fifteen (15) business days for the asserting party to request arbitration by an impartial arbitrator.

Within five (5) business days of the date arbitration has been requested, the parties shall move to select an arbitrator. Said selection shall be from the panel set forth above or shall be by mutual agreement. Should the parties fail to agree upon an arbitrator within the period herein provided, the arbitrator shall be chosen by lot from the panel named in Section 18.2 hereof. Failure of either party to meet within the time limits hereinabove specified, or failure to comply with the time limits, shall cause the dispute to be deemed substantiated or conclusively waived as the case may be. The request of either party to extend this time limit due to extenuating circumstances will not be unreasonably denied.

18.4 Each party shall in good faith divulge to the other party all available material facts at the time said party acquires knowledge thereof concerning the matter in dispute. Nothing contained herein shall require either party to supply documents which are irrelevant.

18.5 The award of the arbitrator or the Adjustment Board shall be final and binding on the Employer, the Union and the Employee(s). All jointly incurred arbitration expenses shall be borne equally by the parties. In the event of a dispute concerning the application of this Section, the arbitrator shall be empowered to determine the allocation of expenses.

18.6 The arbitrator shall not have the right to alter, amend, delete or add to any of the terms of this Agreement.

18.7 Interest at seven percent (7%) shall be payable on all money claims awarded by the Adjustment Board or by an Arbitrator, and such interest shall commence as of the date the complaint is first submitted to the Adjustment Board or when the parties meet to amicably adjust the dispute, whichever is applicable.

18.8 CLAIMS: In the case of a direct wage claim or a claim for contributions to employee benefit plans which does not involve an interpretation of any of the provisions of this Agreement, either party may submit such claim for settlement to either the grievance procedure provided for herein or to any other tribunal or agency which is authorized and empowered to effect such a

settlement.

The Employer is not required to pay any wage claim or portion thereof retroactively for a period of more than six (6) months immediately prior to the date of the Employer's receipt, or written notice from the Union, of such claim.

SECTION 19. PERIOD OF AGREEMENT

Except as otherwise indicated herein, this Agreement shall be effective December 1, 2007 and shall remain in full force and effect in all areas to and including, December 1, 2007 and shall be considered as renewed from year to year thereafter unless either party hereto gives written notice to the other of its desire to have the same modified or terminated. Such notice shall be given at least sixty (60) days prior to such expiration date, during which period negotiations for a new Agreement shall be conducted, with all conditions agreed to by the parties to become effective on the first day of the week nearest the expiration date of this Agreement. If after opening, as provided herein, the parties fail to reach an agreement within the period so provided, then the provisions of Section 17 shall not be binding on either party.

**EXCERPT FROM
ARBITRATION AWARD
BY
DAVID E. FELLER
ISSUED NOVEMBER 8, 1979**

(START OF PAGE 9 as typed)

A journeyman clerk is, by definition, trained and qualified to perform in at least satisfactory fashion (although perhaps not in the best possible fashion) all of the duties of a journeyman clerk and there is, therefore, no reason to inquire at all into the qualifications of any other employee.

Acceptance of this position would essentially eliminate all of the factual issues in this case. I decline, however, to accept it. Although there is clearly a distinction between job assignments and shift assignments, it is nevertheless not true that there is no relationship between them. Nor can it be said, in the light of the agreement's language, that any journeyman is qualified by virtue of the fact that he is a journeyman to perform all of the work assigned to a journeyman, since the agreement clearly evinces a recognition that there are shift assignments which require particular qualifications. It does so in Section V-1-2, where the right to select a shift schedule is conditioned on the possession of "the necessary qualifications for the schedules selected". Indeed the notion that there may be a qualification for a particular shift is emphasized by the fact that the agreement goes on to specify that qualifications "shall include such factors as experience, job performance, aptitude, attendance, etc".

The problem which this case presents is that no such qualification requirement is specified with respect to the junior employee whom the agreement requires be placed on the shift of a senior employee who has exercised his seniority right to the junior employee's schedule. It is clear that the apparently mandatory requirement that the junior employee bumped off a schedule be given the schedule of the senior employee who bumped him was inserted in the agreement in order to prevent a chain reaction. If a bumped employee could exercise his seniority preference

(END PAGE 9 as typed)

(START OF PAGE 11 as typed)

employees, that qualification on the senior employee's right would possibly be more onerous than the one which the parties have inserted in the agreement. The Union's argument that shift schedules and job assignments are unrelated is not correct, but there clearly is a substantial difference between them. No employee has the right to insist on doing the same work which he previously did on his shift. So long as the work is properly within the journeyman clerk classification, management's right to direct the working forces clearly encompasses the right to assign and to reassign and to change assignments so long as the employee's right to the shift which he has selected is not violated. It follows that there is no requirement in the agreement that the junior employee, bumped as a result of a senior employee's exercise of his right to shift preference, be qualified to perform the work previously assigned to the senior employee. The only requirement is that there be a reasonably practicable method of reassigning the work to some journeyman clerks so that the business of the Company can be performed. The Company is clearly correct when it says that once the weekly schedule has been posted it would violate the agreement if it changed the schedules of other employees in order to accommodate the shift schedule change requested by a senior employee. It is not correct, however, in assuming that this is necessarily the only way in which it can secure the satisfactory performance of the work previously performed by the senior employee, since it has the right to change the functions to which other employees are assigned within their scheduled shifts.

I conclude, then, that the right of a qualified senior employee to exercise his shift preference rights can be denied if, and only if, the employer can show that it is impossible to reassign the duties of other clerks within their posted schedules so that the work which the senior

(END OF PAGE 11 as typed)

(START OF PAGE 12 as typed)

employee has performed on his previous shift will in fact be performed satisfactorily. Given the absolute nature of the language of the agreement, the burden of so showing must be placed upon the Company, and it is not met by simply showing that the junior employee who must be transferred to the senior employee's shift is himself or herself not capable of performing the work efficiently. It must be shown that no reassignment of job duties could result in the satisfactory performance of the work involved.

I also conclude that no such showing has been made in this case. It is conceded that there were other employees capable of taking care of the end displays. It is clear that there were other employees who were capable of doing the checking which the grievant was assigned to in the hours after 1 p.m. The Company has not met the burden of showing that it would have been impossible to rearrange the job duties of the clerks employed by the store in such a way that all of the functions performed by the grievant on his previous shifts could have been performed satisfactorily. Accordingly, I conclude that the substantive issue involved must be decided in favor of the Union.

With respect to remedy, I also conclude that the grievance must be granted. The language of Section VI-K is too clear to warrant what is in effect an amendment based upon proposals made by the Union. The agreement says, as plainly as language can, that when ever an employee's schedule is not changed in accordance with the provisions of this agreement and he has worked outside "such schedule" then the hours so worked shall be paid for at overtime rates. The words "such schedule" plainly mean the schedule which the employee has requested in his request for a change. The provision cannot be read as referring only to cases in which schedules are

Pharmacy Technician

The following confirms the full and complete understanding and agreement arrived at between Safeway, Inc. ("Employer") and the United Food and Commercial Workers Union 1179 ("Union"), with respect to wages and the establishment of the Pharmacy Technician position classification.

Wages

<u>Wage Rates</u>	<u>7/1/01</u>	<u>7/7/02</u>	<u>7/6/03</u>
2081 hours and over	\$13.00	\$13.50	\$14.00
1561 to 2080 hours	\$12.48	\$12.96	\$13.44
1041 to 1560 hours	\$11.96	\$12.42	\$12.88
521 to 1040 hours	\$11.44	\$11.88	\$12.32
0 to 520 hours	\$10.92	\$11.34	\$11.76

The Employer agrees that if a General Merchandise Clerk is promoted to a Pharmacy Technician, they will maintain their current rate of pay and remain there until such time that the hours worked in the technician class to warrant a step increase shall be maintained in the new classification.

It is further agreed that:

- 1) Employees considered for this classification must have met any of the following requirements:
 - a) Have obtained at least an Associate of the Arts degree in a field of study directly related to the duties performed by a Pharmacy Technician.
 - b) Have successfully completed a training course specified by the Board.
 - c) Are eligible to take the Board's Pharmacist Licensure Examination.
 - d) Have at least one (1) year's experience, to include a minimum of 1,500 hours, performing the tasks specified in the regulation while employed or utilized as a Pharmacy Technician to assist in the preparation of prescriptions for an inpatient of a hospital, for an inmate of a correctional facility, or experience deemed equivalent by the Board, including, but not limited to, experience received while employed as a Technician in another state or as a Technician employed by the Federal Government.

- 2) The Employer will have sole discretion in selection of Pharmacy Technician.
- 3) The Employer believes that the safety of its customers and the public is the fundamental guiding concern behind the establishment of this classification. To this end, the Employer shall provide mandatory training, on Employer time, as required by the regulation, for those individuals who are selected for the classification Pharmacy Technician.
- 4) Because of safety and quality control factors, the Pharmacy Technicians will be subject to the immediate and personal supervision of a Registered Pharmacist. Immediate and personal supervision in the case of Pharmacy Technician requires that a Pharmacist verify and document any function performed by a Pharmacy Technician in connection with all activities surrounding the dispensing of a prescription. It is understood and agreed that Pharmacists, as trained professionals, have the ultimate responsibility for dispensing prescriptions.
- 5) That a Pharmacy Technician may perform any and all duties of a General Merchandise Clerk.
